Certificate of Dr. W. Smith, of Pine Hill, Rich mond County, North Carolina.

Pine Hill, March 4, 1854.

Dans Sin: I have been a subject of Dyspepsis, in its worst form, for the hest five years. Such was my condition for twelve months that the physicians and all who saw me said I must die. While in this condition, I was carried to the watering places in Virginia. Temperates, and Rorth Carolina, but was not benefited by say water to which i was taken. While on my way house, I stopped a week at Entheriordion, a small village in North Carolina, to try the effect of some Chalybeate water in that place. About the last of the west I want into a drug store to get some medicine for my child and myself. There were several of the village physicians in the store, and one of them some questions, said he had been a dyspeptit, and had heen greatly hematical by the use of Hoodand's German Bittern." prepared by yan, and he limited that I would fry the Bittern. He also called the east day at my room, and insisted so much that I would try them that I subsed him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, (the a dyspeptic,) and I gave him tearly all the Bitters I had left, which effected much great in his rate. He has often called on the for myself inside. Will you, therefore, please ship mir a discuss or more as aroon as possible.

DR. BROTHERS' FEMALE PILLS,

Especially Designed for Female Complaints.

The constitution always suffers more or less when the secretions or discharges, established by the laws of nature, are arrested or retarded; but from none does more evil arise than from obstruction, or suppression of the menses. This is sure in time to bring on a train of complicated and obstinate discases, such as pains in the head, back, loins, and abdomen; determination of blood to the head, and consequent discincia, cold extremities, but especially cold feet; loss of appetite, continues, and general debility; Cough, Palpitation of the Heart, Heatie Fra, and Consumption. The re-establishment of the Catamental evacuation, whenever checked or suspended, is indispensable to health, and the continuance of life.

The design of these pills is the restoration of the natural uterine secretions, by removing the causes by which they are arrested or checked, and by giv-

ing tone and besith to the a system; they are therefore an effectual raticely in all cases of difficult, painful, or obstructed menses; having been used in multitudes of cases, in the private practice of the original proprietor, with singular success, in which they have proved to be of the highest value and efficacy. Price 50 cents.

DR. BROTHERS DIAPHORETIC POWDERS.

In these diseases, it should be administered in small doses. It is also applicable to many other diseases, such as rheumatism and gout, colic, and griping pains. Ac. I have tried every preparation used by modere Physicians, with the most distinguished and calebrated patent nostrums, now so highly extelled; as the various Panaceas, Sarssparilla Syrups, Balsams, and Extracts; and, after repeated trials for years, in different forms of disease, I have found that this Syrup, beyond all comparison, far axceeds them all. DR. BROTHERS' RHEUMATIC PILLS.

These Pills are very efficacious in every case of Rheumatism, whether acute or chronic; and I am satisfied, from my own observation of their great efficacy in the worst and most obstinate cases, that they are not surpassed, if they are indeed equalled, by any other pills of the kind in existence; they attenuate viscid humors, remove obstructions, regulate the system, purify the blood, and thus case the complaint. The Bheumatic Liquid used with the Pills, to bathe the parts affected, will very much facilitate the cure. When the case is very obstinate, and does not yield readily to the above medicines, a Syrup made from the Alterstive Powder, (which can be obtained at the same place with the Pills and Rheumatic Liquid,) must be taken according to directions accompanying it; but in most instances the Pills alone, or the Pills and Liquid, will remove the complaint in a short time. Price 50 cents.

OF THIRTY-FIVE YEARS' "TRAMPS;"

A Journeyman Shoemaker.

A PROPOSE TO GIVE AN ACCOUNT OF MY
"TRAMPS" in different States, with the scenes, characters, incidents, events, sprees, and adventures, with which I have met, or in which I have participated, including one year spent at sea and three years in the United States Army, in war service. I have had vicissitudes and troubles enough to try any man's soul, and almost ruin his understanding; and now that I am waxing old, and my thread of life is nearly spun out, I take this method of trying to get something that will make all my latter days last in comfort to the end.

My "Tramps" will form a neat volume of one hundred pages, at least, which will be furnished to subscribers hereto at fifty cents, and will be issued as soon as the subscriptions will justify.

My old shop-mates, members of the craft, and others, I trust, will "occasion" for me by subscribing to this. Friends to whom this prospectus is sent are requested to procure subscribers and forward their names to

Bank.

This Cemetery is laid out on the plan of the celebrated Greenwood of New York, and situated on the high ground, distant one and a quarter miles north of the Capitol, North Capitol street leading directly to the gateway. This Company have received a charter from Congress, appropriating their ground forever to burial purposes, making a fee title to the purchaser, and prohibiting all encroachments from legislation or otherwise; which is of vast importance to those who wish their dead to repose where they have placed them, for it has become a custom in all cities, when the burial ground has become valuable for other purposes, to sell it, and throw the dead promisciously into one large pit, and legal measures cannot prevent it, as no titles are given to the ground.

N. B. Office open from 10 to 12 A. M., where pamph lets containing the charter, by-laws, and a map othe grounds, and all other information can be octained. All orders left with Mr. JAMES F. MAR., EY, No. 410 7th street, or any other Undertaker will be promptly attended to.

CARD.

RETURNING MY SINCERE THANKS TO MY friends and the public, for their very liberal patronage, I will take this opportunity to inform all, that from the lat day of Angust, 1857, I have closed my books entirely, and nothing more can be charged under any circumstances; my object in so doing is to enable me to sell at smaller profits, and offer greater inducements to purchasers.

I would most respectfully solicit a call from all, as I can confidently assert, from the recent large purchases I have made, my stock is decidedly larger, cheaper, and better than it has ever been before; and by selling for cash alone, I believe I can make it a saving to all to give me a call before purchasing.
